Dear Esteemed IIS members

The Indian Immunology Society announces its formal call for proposals for the International Day of Immunology-2025. Please mark your calendars -29th April 2025

Day of Immunology 2025 theme: “Brain and Immunity: Immunological Insights into Neurological Disorders.”

IUIS link : <https://iuis.org/day-of-immunology/>

Brief Guidelines :

- The DOI organizer should keep in mind the theme of the year as given by IUIS.
- This special campaign by IUIS and member societies is not a symposium/ conference. So as far as possible the resource person should be encouraged to disseminate immunology education while taking help of little/no scientific data.
- The talks and activities planned should strictly adhere to the theme.
- The preferred audience should be students.
- Members are encouraged to arrange such meetings in resource limited settings / away from their own educational/research set up.

Deadline to send your application to IIS : 15th March 2025

Final list of selected proposals will be announced: 10th April 2025

For further information: Get in touch with your zonal vice-president and Zonal EC members and/or mail us.

Regards
team IIS
